50 Cal Hard Target Weapons Operator/Instructor

Three (3) Day Course

This course is designed for police agencies who are wanting to begin a 50 Cal Program or have a 50 Cal rifle and need formal training with an emphasis on SWAT deployment. Current terrorist trends indicate a need for this capability now more than ever as we continue to see vehicles used as weapons against the public. Day 1 will be spent creating a base line level to operate from. Days 2 and 3 will focus on Instructor Development to include:

- 50 Cal Rifle Standards
- Mission Specific Ammunition Selection
- Range Planning and Set up
- Terminal Ballistic Testing
- Overwatch Position (OP) Deployment
- Writing a 50 Cal Standard Operating Procedure (SOP)
- Designing and maintaining a 50 Cal Program

Instructed by Mark Lang

Mark Lang is a Tacflow Lead Sniper Instructor as well as the lead instructor and developer of 'Police Sniper Response To A Public Venue™'. He was a member of the Craft International training team until 2016. He is a Texas Commission on Law Enforcement (TCOLE) Firearms Instructor and an NRA Precision Rifle Instructor. Mark specializes in teaching nontraditional sniper courses for Craft and is an Aerial Platform and .50 Cal Instructor. He is also an adjunct instructor with the Texas Tactical Police Officers Association. He is a current officer with Dallas Police Department SWAT team, and has performed the duties of a police sniper for over 16 years
