## Course Description

This course is designed for police agencies who are wanting to begin a 50 Cal Program or have a 50 Cal rifle and need formal training with an emphasis on SWAT deployment. Current terrorist trends indicate a need for this capability now more than ever as we continue to see vehicles used as weapons against the public. Day 1 will be spent creating a base line level to operate from. Days 2-4 will focus on Instructor Development to include:

### Course Topics:

- 50 Cal/ 338 Rifle Standards
- Proper Ammunition Selection/ Usage
- Case Studies of 50/338 SWAT Interdiction
- Tripod Utilization (Hog Saddle, Reaper Grip, Spec-Rest)
- Terminal Ballistic Testing & Evaluation
- Range Planning, Design & Safety
- Overwatch (OP) Justification, Deployment & Practicals
- Qual Course and SOP design
- Sustaining a Large Caliber Program
