## PRE-REQUISITE 5 DAY PPD COURSE

### Course Description

This 1-day, 8-hour day is designed to enhance and build on the hands-on and shooting portions of our 5 Day Police Protective Detail/ Dignitary Protection for Law Enforcement. You will spend the first half of the day on the range working on drawing from concealment, both off your person and from your EDC bag (optional). The second half of the day will be spent on how to handle conflict through containment and disruptions.

### Course Topics:

- Advanced Shooting
- Principles of Drawing from Concealment
- Drawing from EDC bag
- Combatives/ Containment
- Team Movement
