## Course Description

PSRPV is a purpose designed curriculum for police snipers that provide overwatch at public venues and/or large scale events. The 4-day 40 hour curriculum is an advance course and is not for a beginner sniper. PSRPV has evolved into the standard for deploying snipers and SWAT teams that are tasked with the responsibility for public safety at these events. Anti-terrorist in nature the course is conducted in a crawl, walk, run progression focusing on improvised shooting & tripod shooting. In addition to the police sniper role Best Practices for SWAT and other nexus work groups will be taught with the emphasis on gameday safety & security. Snipers will be required to successfully pass Day 1 in order to conduct live fire training at Nissan Stadium. Upon successful completion, snipers will be certified in Public Venue Operations increasing their knowledge & operational readiness for their respective law enforcement agencies.
