Date: May 18-22, 2026
Cost: \$1350
Instructor: Sean Harris
Location: 2489 Box Ankle Road
Richmond, KY 40475

Course Description

This is an intense law enforcement course designed to assist with the preparation of experienced police snipers in developing a curriculum and foundation for teaching the basics to their sniper teams. The primary objective of the Sniper Instructor Course is to enable students to safely instruct and train fellow officers in the utilization of the sniper rifle. This includes topics such as, riflescope, ammunition selection, fundamentals of marksmanship & range safety etc. Further topics include instructor development, coaching methodologies and range development drills. There will be maximum student participation through teach backs involving shooting & teaching skills at the classroom and range. Students will be responsible for developing instructional media to take back to their agency's to implement a LE Basic Sniper Course. Upon course completion, students will have necessary tools & skills to build curriculums for sustaining their sniper program.

Requirements

- Active LE or Military (credentials will be checked on first day)
- Served as a sniper on a current SWAT Team for a minimum of 3 years. (Letter from SWAT Commander will be requested)
- Be familiar and demonstrate proper safety habits throughout the course.
- Understanding of internal/external/terminal ballistics
- Understand all sniper rifle positions training and evaluate their peers/students.
- Knowledge of ranging and MOA/MIL conversions.
- Develop sniper rifle qualifications, implement, run and score for students.
- Understand and be able to instruct all the shooting fundamentals covered in this class.
- Understand and employ proper instructional methodology while instructing and training.
- Students will be graded/evaluated on written exam, shooting qualification and teach backs.

Gear List:

- Precision Rifle capable of 1 MOA or better (.308 .6.5 .223)
